

## Prayer Ministry Opportunities

Please contact the church by phone or email if you would like to be involved in these prayer opportunities.

**Emergency Prayer Request**—receive emergency prayer requests through One Call Now either as a phone call or text message.

**Daniel's Team**—receive a list of requests given through the bulletin each week either by email or post mail.

**Sonlight Warriors**—a commitment to pray for the Pastors and other ministry leaders each day; in addition the ministry leaders would contact you by phone call or text when confidential prayer requests arise.

**Early Sunday Morning Prayer**—everyone is invited to arrive at church early to pray over the Sunday school classes and worship service. We meet in the sanctuary at 8:45 for group prayer with the Pastors. **(This has been suspended until we meet again as a group.)**

The Prayer Event scheduled for April 4th is tentatively planned from 9—11. A decision on whether or not to have that event will be made in the near future.

## One Call Now

We use a phone service to contact people and remind them of meetings that are approaching, prayer chain requests, to remind people of special events or services, and, unfortunately, for services cancelled.

If you have not been on the One Call Now service and would like to be included, please make sure we have the phone number you want us to use. If you choose to receive only **voice message** you need to do nothing more if we have your correct phone number.

If you would like to receive **text messages** then we need you to not only make sure we have the correct number but you must request to receive those messages from One Call Now. If you would like to receive text messages simply text the number **22300** and type **ALERT** in the text box and push send. After pushing send you will receive confirmation that you have signed up for text messages.

Call the office at 824-0068, or email us at [sonlightwesleyan@yahoo.com](mailto:sonlightwesleyan@yahoo.com) with your phone number and whether you want text messages or a voice message.

## Life Line Screening

At this time, Life Line Screening is still planning on being here on April 7th. Take advantage of these health screenings to check for stroke and vascular disease. Sign up by calling toll free **1-888-653-6441** or **text** the word **circle** to **797979** or visit online at [www.lifelinescreening.com/community\\_circle](http://www.lifelinescreening.com/community_circle).

*"We exist to reach every person for Christ, using everything we have, in whatever way we can."*

## Facebook Live

Even though our services have been cancelled here at the church, we will still have a live service at 10:30 on Sundays. Our worship team will be leading us in song, we will be taking prayer requests and praying during the live feed and Pastor Lyle will be delivering a message. Please stay home or at the home of someone with Facebook, and worship the Lord. **If you have a prayer request, please contact the church office at 824-0068 or call or text Pastor Lyle at 820-1825.**

## Candy Needed

Our Easter Egg Hunt is currently scheduled to be Easter Sunday following the 10:30 service. If we are still not meeting at that time, we will save all the candy and eggs and have the event when we start our services back up. Children will be divided into age groups up through 6th Grade. Candy is needed to fill the eggs. Individually wrapped small candy is best. If you are able to get to the stores, please consider picking up a bag and dropping it off at the church office during the week or put it in the baskets in the foyer. **Thank you so much.**

## Things to Remember

As we try to navigate through these rough waters, we are asking everyone to be mindful of a few things:

1. Please be in prayer for our government leaders. This is an extremely difficult time for them having to make such unprecedented decisions.
2. Please pray for our elderly or health compromised church members. If you want to contact someone but don't have a number, please call the church or Pastor Lyle and we will get you their number. We can't have community here but we can still show our love and support through calls or social media.
3. Please remember the church is operated on your offerings. Our missionaries still need our support. Our bills still need to be paid. We are trying hard to cut expenses, but some things still need to be paid. If you can't drop off your offering or get it mailed, we will come by and pick it up if that is your desire.
4. And as we have all heard, wash your hands, don't touch your face and keep your throat hydrated to wash away the germs.
