

### A Note from the Children's Director:

Well the Christmas season has come and gone. The children did a great job singing their Christmas songs on Sunday morning. The Wednesday night children sang to the residents at Christian Care and did a great job singing and using their puppets. The children have also been working very hard on the books of the Bible and will soon be saying them onstage during the worship service. I will let you know when that date is going to be. Thank you all for your support of the Children's Ministry.

Here are the events coming up in the next few months. It promises to be a busy time, but we always remember that Jesus is the reason we meet together each week and all our activities are focused on Him.

Blessings, Pat Breeding

## Super Hero/Princess Party

**February 3rd at 10:30** the children will have a Super Hero/Princess Party! We will meet in the children's hallway for our lesson on the best super hero—Jesus! then we will go in the sanctuary and sing "Jesus is our Superhero." After singing we will all fly into the PD Station (Teen Room) for a time of games, crafts and fun. Children and adult helpers are encouraged to dress in any kind of super hero or princess costume. Don't spend a lot of money, simple is best. The link for the song can be found on youtube and look for Superhero or Jesus is my Superhero by Mannahouse kids.

## ANIMAL SHELTER TOYS

The local animal shelters are in need of toys for their cats and dogs and our Wednesday evening children will be making several different kinds of toys starting **February 6th**. All children are invited to join us as we learn to share the love of Jesus by serving others.

## Easter Songs

Easter is April 21st and the children will be singing in the worship service. All the children will be involved in some way from the teeter toddlers through the 6th grade. Here are the songs and the links for each song so the children can practice during the week. These videos are either adults teaching the songs or children's choirs singing and doing hand motions. Please let me know if you can't find the links. All of the songs are on youtube.

## Bike-a-Thon

Sonlight Kids is hosting a fundraiser Bike-a-Thon on April 27th at the Ouabache State Park. Proceeds will go to DARE and Brianna's Hope. Our goal is to Break the Cycle of Drug Abuse in our community.

This is a Family Event for children and adults. There will be 4 loops of different lengths and you can ride as many loops as many times as you desire. All those involved will be asked to raise funds, if possible, as part of their participation.

Our goal is to get children involved in an effort to end drug abuse in their families, neighborhoods, schools and beyond.

Volunteers are needed to make this a successful event. Brochures will soon be available with more information about the event and how to register.

Please help us spread the word and **Save the Date: April 27, 2019!**
